

The Central Athletic Booster Club would like to thank everyone who has helped to make this Wall of Fame fundraiser possible. A very special thanks to those who have already purchased plaques! Your support is vital to athletics at Central High School and Nash Middle School and to the students who participate in or attend them.

Imagine your name, your team's name, a coach, or your favorite alumni on the Wall. Honor your class, a teacher, family members, a special group or an individual. This is an inexpensive way to leave a lasting impression. It also makes a wonderful gift!
