

CENTRAL HIGH SCHOOL

CLOTHING III

Sandy Wilken

**COURSE SYLLABUS**

**Course Description:**

This course reaches beyond the scope of the beginning clothing construction classes to include other related topics. Emphasis is placed on color, line, and design in fashion, as well as a better understanding of their own color palette in relationship to skin, eye, and hair color. Sewing skills will be a priority. Basic quilting skills (including rotary cutting) will be covered. A picture wall hanging will be constructed using hand-quilting techniques. A small quilt will be constructed using machine quilting.

Prerequisite: LIFE, Clothing I, and Clothing II.

Note: The projects will require extra cost to the family.

**Course Objectives:**

Upon the successful completion of this course, students will be able to: identify basic color schemes and their affect on clothing choices; choose colors that enhance their skin tone, hair, eye color, and body shape; describe the elements and principles of design and their use in clothing design; practice good health and grooming habits; explain the proper procedures to follow for good hygiene; demonstrate clothing repair and basic altering techniques; identify and create samples of basic quilt blocks; create a wall hanging; sew a quilt.

**Required Class Materials:**

Good attitude and great attendance, as well as willingness to do readings, homework, and projects.
