Parents/Guardians/Students

As most of you know, Governor JB Pritzker, the Illinois Department of Public Health, and the Illinois High School Association recently opened up athletic contests in Illinois. This is great news for the student-athletes at Central High School.

Many students have been without sports for nearly a year, as all spring sports were canceled. Only two sports – cross country and golf – had fall seasons. Now, begins the challenge of seeing the sports through to completion.

Mr. Fenton has worked tirelessly with other athletic directors to create schedules for our teams. He is limited as far as schools that can be scheduled. The opposing school has to be in our conference (Sangamon Valley Conference) and/or within our COVID region. Even though we are only 10 miles from Herscher/St. Anne/Tri-Point, we are unable to play them because they are in a different region. However, we are able to play Momence – in a different region – because they are in our conference. A boys and girls basketball schedule is attached with this letter. As additional sports schedules are completed, they will be released.

We are limited in the number of fans that may be in attendance.

- We are going to allow 50 home fans to in attendance.
- It will be on a ticketed basis.
- Spectators must sit 30 feet from the playing surface and be masked.
- For spectators that are not able to attend, we will be streaming through the National Federation of High School Network. Instructions are attached with this letter.

If you have questions, please email (mshaner@cusd4.org) or (jfenton@cusd4.org) or call 815-694-2321.

Have a good weekend.

Mr. Shaner

Streaming Access for Central High School

- Go to www.nfhsnetwork.com (nfhsnetwork.com will probably suffice)
- Click the person icon in the upper right corner
- Create an account
- Scroll down until you see the “Subscribe” button
 - Click Subscribe button
- You will have two options
 - \$69.99 annual pass
 - \$10.99 monthly pass (charged monthly, cancel any time)
 - All passes offer access to live regular-season and post-season events
 - On demand events when available
 - If you choose an annual pass a portion of the fee will be returned to the school/athletic department (I believe \$19.99 per subscription)
 - When prompted, search for Clifton Central (there are numerous Centrals)
- We will be streaming volleyball and football games as well
- Games at these conference schools will also be on the network
 - Dwight
 - Momence
 - Iroquois West
 - Central
- At this time no school is allowing visiting spectators, at best, some are allowing limited home fans to attend, so a subscription may be beneficial.
- We are working towards having our 50 allowed spectators at our home games. As this is a process that is new to all of us, we ask for your patience as we work out a system to allow this to occur.
